

Student Shadow Application

To assist potential students in deciding whether enrollment in EHHS would be a good fit, EHHS allows potential students, who are not currently enrolled at EHHS, to “shadow” friends/relatives (student sponsors). The “shadow” program is meant solely to assist potential students in making such a decision (not simply so that friends from different schools may “hang-out”).

The following rules apply to any potential student who wishes to shadow at EHHS:

1. The potential student must currently be an 8th – 12th grade student, who is under 18 years of age.
2. Potential students may only shadow one day at EHHS during the school year.
3. Shadowing students are required to complete this application form and provide it to the EHHS principal prior to shadowing.
4. The EHHS principal will call the parents of the shadowing and sponsoring student to approve/deny this application.
5. Shadowing students must be accompanied, at all times, either by EHHS staff or by the student sponsor.
6. Shadowing students must follow all EHHS school rules, classroom rules, and instructions from EHHS staff while shadowing and are expected to participate in classes they attend unless instructed otherwise by the teacher.
7. On the shadowing date, the shadowing student must 1) check-in with the office and 2) be given a facility tour by a member of the staff.
8. The shadowing student will carry a copy of his/her approved shadow application for the entire time he/she is at EHHS.
9. The shadowing student will check in and out of the front office each time he/she enters/leaves the building.
10. The parents of both the shadowing and sponsoring student are responsible for the behavior of the shadowing student while he/she is shadowing at EHHS. This includes being responsible to come *immediately*, at the request of the EHHS principal, in case of any disruptive behavior on the part of either the sponsoring or shadowing student.
